at 10:00 am

The Exhibition Day Parade will be held Tuesday, August 8th at 10:00 am. Once again, Saskatoon Willowgrove will have an entry in the parade. We will be riding on an antique fire truck owned by Ken Sawatsky. The best part of the parade is the excitement of the children that ride with me! The parade is always a lot of fun for the kids as they wave to the hundreds of people that line the streets.

If your children are interested in riding along with me, please email ken.cheveldayoff.mla@sasktel.net with your contact information and we'll get back to you with details. Please note, space is limited.

INTRODUCTION OF TEAM SASK AT THE INTERNATIONAL SOCCER IN SASKATCHEWAN !

The first International Soccer Day in Saskatchewan was held at Mosaic Stadium Saturday, July 22nd. Fans enjoyed a great game between the New York Cosmos and Valencia CF. The University of Regina and University of Saskatchewan women's soccer teams will also played in an exhibition game at this event. Congratulations to John Graham / On Ice Management for working hard to bring this International event to our province.

A highlight of the game was at half time when I had the opportunity as Minister of Parks, Culture and Sport to Salute Team Saskatchewan as they prepared to head off to Winnipeg for the Canada Summer Games. Team Sask is made up of the collection of athletes, coaches, managers, technicians, and mission staff that represent Saskatchewan at the Canada Summer Games, Canada Winter Games and Western Canada Summer Games.

Congratulations to all Team Sask competitors for winning the right to represent your community and province at the Canada Summer Games in Winnipeg. Good luck as you pursue your dreams and enjoy the experience. The day was a wonderful celebration of sport in Saskatchewan. Not only are we recognizing our home grown talent, we are also coming together to enjoy sport played at an international level. All of the Team Sask and soccer team athletes here today are great role models for

the next generation of aspiring young athletes.

Sports play an important role in the lives of many here in Saskatchewan. They enhance the high quality of life enjoyed across our province. By participating in sports, citizens benefit from physical activity and social interactions, which enhance their wellbeing.

SASKATCHEWAN AT THE 2017 CANADA SUMMER GAMES

What an incredible week it has been in Winnipeg. It has been an honour to participate in the Opening Ceremonies and join more than 4,000 athletes and coaches from across the country in Winnipeg for the 2017 Canada Summer Games.

Running July 28 to August 13, the games feature 16 sports and are the largest multisport event for young athletes in Canada. The Saskatchewan Games Council will formally announce Team Sask as well as unveil the Team Sask ceremonial walk-out uniform and team pins on Saturday, July 22, at a media event Mosaic Stadium. Later that day, during the International Friendly soccer match between Valencia CF and the New York Cosmos, members of Team Sask will be recognized during a half time event: "Salute to Team Sask".

"I look forward to Saskatchewan's participation in the Canada Summer Games and Jeux du Canada Summer Games Festival in Winnipeg," Minister of Parks, Culture and Sport Ken Cheveldayoff said. "In addition to our talented athletes and coaches competing at the games, some of our sport history will be on display and performances will feature some of Saskatchewan's favourite musicians. This will be an excellent showcase of our homegrown athletic and artistic talent."

This year marks 50 years of the Canada Games and coincides with celebrations for Canada 150. The Manitoba Liquor and Lotteries Jeux du Canada Games Festival at Winnipeg's The Forks, which runs July 29 to August 12, is a celebration of culture across Canada, with each province and territory having the opportunity to act as host for a day.

Sunday, August 6, is Saskatchewan Day and will feature performances by The Pistolwhips, Buffy Sainte-Marie and The Sheepdogs. The travelling Saskatchewan Sports Hall of Fame exhibit will also be on display at the event. In addition to the exhibits of Saskatchewan's sport and culture, the

festival offers goods from local artisans, food and beverages as well as sponsor giveaways and activities. Each concert will close with a firework display. All aspects of the Jeux du Canada Games Festival, including Saskatchewan Day, are free and accessible.

Since 1967, alternating bi-annually between summer and winter games, amateur athletes representing all Canadian provinces and territories have competed at the Canada Games for the Canada Games Flag and Centennial Cup.

**REGINA INDIAN INDUSTRIAL SCHOOL CEMETERY RECEIVES
PROVINCIAL HERITAGE STATUS**

The Government of Saskatchewan has designated the Regina Indian Industrial School (RIIS) Cemetery as the province's 51st Provincial Heritage Property. The cemetery grounds contain the graves of approximately 35 children from First Nations and Métis communities in Saskatchewan, Alberta and Manitoba who died while attending the school.

“The memory of those who died while attending these schools, and the lasting impact this period of history had on families and communities, needs to be remembered and understood,” Parks, Culture and Sport Minister Ken Cheveldayoff said. “By designating the Regina Indian Industrial School Cemetery as a Provincial Heritage Property, we are helping to ensure that these children, and the lives of those affected by residential schools, are remembered as we work toward truth and reconciliation.”

**GOVERNMENT UNVEILS LIFEJACKET LOANER STATIONS
DURING NATIONAL DROWNING PREVENTION WEEK**

The Government of Saskatchewan is pleased to be expanding the Lifejacket Loaner Station program that was piloted in 2016.

This year, there are five provincial parks and recreation sites that are offering lifejackets to be borrowed, free of charge. This is an important water safety initiative, as July 16-22 is National Drowning Prevention Week in Saskatchewan.

“Part of what makes Saskatchewan’s provincial parks so special are our exceptional lakes and waterways,” Minister of Parks, Culture and Sport Ken Cheveldayoff said. “Offering these lifejacket loaner stations, proclaiming National Drowning Prevention week and partnering with the Lifesaving Society help us to ensure that our visitors have a safe and happy summer by practicing water safety.”
