CAMP DAY 2015 AT TIM HORTONS

I had the opportunity to serve coffee at our local Tim Horton's in University Heights Square yesterday as hundreds of people supported Camp Day.

Everyone that bought coffee at Tim Hortons contributed to helping send kids to camp this year. Restaurant owners Dale & Natina Martin are always very supportive of community and camp day was no exception. They donated 100% of the proceeds from every coffee sold to the Tim Horton Children's Foundation, which will send economically disadvantaged kids to camp for the experience of a lifetime. This one day at Tim Hortons across the province will give thousands of kids from the community the chance to have an amazing opportunity.

Once again, it was overwhelming to see our community come together to support the Foundation and contribute to a positive change in a child's life. Special thanks to everyone who generously supported this fantastic event.

On another note, I am pleased to tell you that the Tim Horton's coffee truck will be at our Picnic in the Park Tuesday, June 9th. All proceeds from sales of coffee at the picnic will be donated to Saskatoon Association of Community Living.

ECONOMY TOPS WESTERN PREMIERS' AGENDA

Canada's Western Premiers met June 1 by teleconference to discuss shared priorities. At the top of the agenda was the economy.

Premiers noted the fiscal challenges all jurisdictions are facing due to fluctuating commodity prices and other pressures. Despite these challenges, the fundamentals for continued economic growth in the West remain strong.

Western Canada has been the major engine of growth for the Canadian economy. The west is home to the goods and services the world needs and wants. To ensure the west, and Canada, fully benefit from this reality, enhanced access to new and existing markets is essential.

In addition to the economy, Premiers discussed other priorities. Click [here](#) to read more.

BUY LOCAL STARTS JUNE 6

The Government of Saskatchewan would like to encourage all residents to support the proclamation to “buy local” the first Saturday of every month.

“We value the contribution of local businesses in communities across the province, and for that reason, want to encourage Saskatchewan residents to buy local,” Immigration, Jobs, Skills and Training Minister Jeremy Harrison said. “It’s a gesture of support for all those small businesses that work hard, create jobs and provide us with goods and services year-round.”

FIRE PIT RULES AND REGULATIONS IN SASKATOON

June is a time when family and friends start to spend more time outside. The Saskatoon Fire Department (SFD) would like to remind everyone of the regulations for using fire pits within the

City of Saskatoon limits.

The use of fire pits in Saskatoon is regulated by Fire and Protective Services Bylaw No. 7990 which states that every use of a residential fire pit is subject to six conditions:

- Fire must be contained within a non-combustible fire box constructed of material such as cement, brick or metal and covered with a heavy gauge metal screen. SFD recommends that fire pits be situated at least three metres from any combustible materials (ie. fences or buildings).
- The size of the fire box of any outdoor burning facility must not exceed .61 cubic metres.
- Only cut, seasoned wood or charcoal can be used to fuel outdoor fires. Burning tree branches and garden refuse in a fire pit is not permitted.
- All outdoor fires must have responsible supervision at all times.
- No person shall light an outdoor fire when the weather conditions are conducive to creating a running fire or allowing the smoke from the fire to be a nuisance to another person (smoke drift).
- If smoke from an open-air fire causes an unreasonable interference with the use and enjoyment of another person's property, the fire must be extinguished immediately.

If you choose to use one of the many City of Saskatoon public parks, be aware that open fires are NOT allowed. Fire pits are not located in all parks, but in the parks that have them, they are on a first-come, first serve basis and each user must supply their own fire wood.

Please note: SFD will extinguish any fires that do not comply with the Bylaw.

The Outdoor Fires pamphlet can be viewed at:

<https://www.saskatoon.ca/services-residents/fire-emergency/community-outreach> and a video regarding residential fire pits can be viewed at <http://tinyurl.com/azucomb>

Residents who would like to report a fire or fire pit should call 306-975-3030.

PROVINCE SUPPORTS COMMUNITY-BASED JUSTICE PROGRAMMING IN SASKATOON

The Ministry of Justice continues to support community-based efforts in Saskatoon that aim to reduce crime and make a positive impact on the lives of people dealing with conflict. Nine programs will receive more than \$1 million in 2015-16.

“These programs exemplify the kind of on-the-ground innovation that drives our ministry,” Justice Minister and Attorney General Gordon Wyant said. “I can’t speak highly enough of the work these organizations do to address harm that has been done and help people turn their lives around. I’m proud we can help them do it.”
