KEEPING SASKATCHEWAN STRONG

Some constituency assistants from Saskatoon had the pleasure of attending the Saskatchewan Association for Community Living (SACL) inclusion tour last week.

The opportunity to get a firsthand look at the many programs SACL left those attending with a better understanding of the incredible work done by this organization to support individuals with intellectual disabilities. The presentation about the people they support and the work they do and what they hope to achieve was inspiring.

THE SACL TOUR INCLUDED LEARNING ABOUT THEIR EDUCATIONAL PUPPETS - THEY HAVE AGREED TO JOIN US AT OUR PICNIC IN THE PARK JUNE 9TH!

I am so pleased to let you know that one of the individuals in the SACL program has agreed to sing O Canada at our annual Picnic in the Park June 9. In addition, the children will have the opportunity to see an entertaining puppet appearance at the picnic. The troupe of educational puppets gives messages of friendships and understanding of peoples' differences. The puppets are new guests at our Picnic and we are very excited to have the opportunity to include them in our festivities.

The Saskatchewan Association for Community Living ensure that citizens of Saskatchewan who have intellectual disabilities are valued, supported and included members of society and have opportunities and choices in all aspects of live. Please consider taking an hour to enjoy a free lunch and go on an inclusion tour at the SACL office located at 3031 Louise Street. Contact them at 306.955.3344 or email sacl@sacl.org. for additional information.

RESIDENTS SHOULD TAKE PRECAUTIONS DURING TICK SEASON

Saskatchewan people are reminded that warmer weather brings an increased risk of tick bites for those who spend time outdoors. Ticks are out from early spring until early October, particularly in tall grass, brush or wooded areas.

Precautionary measures include the following:

- Wear pants, long-sleeved shirts and shoes that don't show your feet.
- Pull socks over your pant legs to prevent ticks from crawling up your legs.
- Wear light-coloured clothes so ticks can be seen easily.
- Use insect repellents that contain DEET or Icaridin. Apply repellent to clothes as well as your skin. Always read and follow the directions.

- Shower or bathe within two hours of being outside to wash off loose ticks.
- Do “full body” tick checks daily on yourself, your children and pets.

MARCH WHOLESALE TRADE DOUBLES NATIONAL INCREASE

Year-over-year wholesale trade in Saskatchewan was up 12.2 per cent in March 2015 over last March, more than double the 5.6 per cent posted nationally and the second highest percentage increase among the provinces, according to Statistics Canada.

“Saskatchewan’s economy is broad-based and resilient which is helping to keep important indicators like wholesale trade strong when compared to other jurisdictions,” Economy Minister Bill Boyd said. “This is good news for many reasons and showcases the strength of our wholesale sector.”

GOVERNMENTS OF CANADA AND SASKATCHEWAN
SIGN FIRST MEMORANDUM OF UNDERSTANDING TO
FINALIZE JOB TRAINING DEAL

The Governments of Canada and Saskatchewan announced that they have signed the first Memorandum of Understanding (MOU) in Canada and are now in final discussions to retool an existing federal-provincial job training deal. This deal will further align training to labour market opportunities in Saskatchewan.

“We want to ensure everyone in Saskatchewan has access to the training and employment services they need to fully participate in our strong, diversified economy,” Harrison said. “Funding provided through the Labour Market Development Agreement will ensure these programs and services are in place to help Saskatchewan people secure meaningful employment.”

Click [here](#) to read more about Pierre Poilevre, Minister of Employment and Social Development and Minister Responsible for Immigration, Jobs, Skills and Training Jeremy Harrison signing an MOU to help create jobs and keep our economy strong.

EVENTS

SILVERSPRING COMMUNITY GARAGE SALE

**Saturday, June 6th
9:00am to 3:30pm**

It's that time of year!

The Silverspring Community Association is hosting our Annual Garage Sale and this year we are trying something new.

We are including a Trunk Sale! What's a Trunk Sale?

A trunk sale is for those people that don't have enough items for a garage sale but still want to be involved! Just load up your vehicle and drive over to the Silverspring School teacher parking lot (610 Konihowski Rd). *You will be responsible for your own set up and take down, nothing can be left behind and you will need to provide your own table and seating if required.*

You can sell your wares alongside fellow community members and watch the day go by a little quicker.

Pick up your official Garage Sale Map at the Silverspring School and grab some fresh coffee and donuts generously provided by Shaw!

Didn't get rid of everything you would have liked at your garage sale? Well guess what! We have arranged for Community Living to be in the Silverspring neighbourhood on June 8th to pick up what didn't sell. Visit their website at www.communitylivingpickup.ca to see what they will and will not accept.

Donations to Community Living must be bagged or boxed, marked with CL and on your doorstep/driveway by 8:00 a.m. on June 8th.

Register your house address by **May 31st** to be included on the official list! Please indicate whether you want your address registered for the **Community Living Pick Up**. Register at: sscagaragesale@gmail.com.

GOVERNMENTS OF CANADA AND SASKATCHEWAN SUPPORTS MAJOR HIGHWAY IMPROVEMENTS IN SASKATCHEWAN

Ed Komarnicki, Member of Parliament for Souris-Moose Mountain on behalf of Denis Lebel, Minister of Infrastructure, Communities and Intergovernmental Affairs, and Minister of the Economic Development Agency of Canada for the Regions of Quebec, was joined May 20 by Estevan MLA Doreen Eagles on behalf of Highways and

Infrastructure Minister Nancy Heppner and Estevan City Councilor Dennis Moore on behalf of Estevan Mayor Roy Ludwig, to announce funding for the Highway 39 twinning project in Saskatchewan, which will generate economic and social benefits for the province.

“Investing in major transportation infrastructure projects such as twinning, passing lanes and bypasses is an integral part of Saskatchewan’s Plan for Growth,” Eagles said.
